"Uplisting to NASDAQ is a tremendous accomplishment and corporate milestone for Social Reality. We believe that trading on the NASDAQ Capital Market will help generate increased visibility, better liquidity, greater access to capital, and attract a broader range of institutional investors to prompt our growth initiatives and enhance stockholder value," said Christopher Miglino, CEO of Social Reality.

About Social Reality

Social Reality, Inc. is an Internet advertising company that provides tools to automate the digital advertising market. The company's Social Reality Ad Exchange (SRAX) is a real-time bidding (RTB) management platform for brands and publishers that allows brands to launch, distribute, track and optimize social and digital media and consumer engagement campaigns. SRAXmd is a healthcare-focused programmatic RTB exchange that allows pharma brands and publishers of medical content to create custom exchanges that invite specific advertisers to bid on inventory on their sites. The SRAX Social tool is a social media platform and complete management tool that allows brands to launch, distribute, track and optimize social and digital media and consumer engagement campaigns.
